GRANT OF LICENSE AND COPYRIGHT Korg grants you, the original purchaser, the non-exclusive right to use the program and the data file constituting this software and the upgrade program(s) as well as the data file(s) which may be distributed to you from time to time (hereinafter referred to collectively as "Licensed Program") on associated Korg product(s) and/or a single computer under your control and used by only one person at a time. All references to the Licensed Program shall mean the object code only of the program(s) comprising the Licensed Program. The Licensed Program and any manuals or other written documentation supplied with the Licensed Program belongs to you. The ownership of the rights to and the copyright of the Licensed Program itself (whether supplied via a storage device, diskette, download from the Internet or otherwise) and the copyright of the contents of any manual or other written document belong to Korg. Korg reserves the right to make modifications to the Licensed Program and to the support services set out in clause 7 of this agreement (referred to in this agreement as "the Services") without prior notification to you. 2. The license granted in this agreement will terminate automatically without notice from Korg in the event that you breach any provision of this agreement or in any way infringe Korg's copyright in the Licensed Program. In such event you must destroy the Licensed Program and its backup copy immediately. 4. PRODUCT WARRANTY Korg warrants that the Licensed Program when properly used will provide the facilities and functions as described in the accompanying documentation but does not warrant that the operation of the Licensed Program will be uninterrupted or error-free. This warranty shall however only apply to the latest version of the Licensed Program (provided that Korg has reasonably made such version available to you) and shall not apply to any previous version or versions of the Licensed Program. Korg's obligation and your exclusive remedy under the warranty mentioned above, is limited either: (a) to Korg at its own expense using all reasonable endeavours to rectify any non-conformance with the warranty by repair (by way of a patch, work around, correction or otherwise) within a reasonable period of time or, (b) to a refund of the license fee paid (if any) if in Korg's reasonable opinion it is unable to rectify such non-conformance within a reasonable timescale or at an economic cost, whereupon this agreement and the license created by this agreement shall terminate. In the event that there is any physical defect in the disk (storage device, etc.) on which the Licensed Program is supplied, Korg will exchange the defective disk with a non-defective disk of the same model at no charge, provided that you have notified Korg of the existence of such defect within 28 days from the date you have received the disk, and provided that Korg shall never be held liable to replace the disk or data in the event that the defect is attributed to accident, abuse, misuse or other such causes outside of Korg's control. Korg, in no event, will be liable for the direct, derivative, collateral or consequential damage caused by the use of or the inability of using the Licensed Program (including but not limited to damage of data, lost commercial profit, interruption of work, lost commercial information), regardless of the degree of damages, and even if Korg was aware of the possibility of such damages or the possibility of a claim for damage from a third party in advance. In the event that Korg offers an updated or upgraded version of the Licensed Program to you at any time, Korg's obligation (and that of its distributors and dealers) to support previous versions of the Licensed Program shall cease 28 days following such updated or upgraded version being made available to you. Nothing in this agreement shall affect the statutory rights of any person dealing with Korg as a consumer. 6. THIRD PARTY SOFTWARE Korg may on occasions supply software programs, data files and/or documentation belonging to a third party or parties (hereinafter collectively referred to as "Third Party Software"). If supplied in conjunction with any Korg instrument or equipment, such Third Party Software shall only relate to the non-essential functions of such instrument or equipment. If Third Party Software has been supplied (whether in conjunction with any Korg instrument or equipment, or as a stand-alone product) a notice to that effect will be contained with or on the disk supplied and in such circumstances Korg shall be deemed to be acting as the agent only of the supplier of such Third Party Software. In the event that Third Party Software is supplied, you agree to be bound by and to observe any terms and conditions relating to the use of such Third Party Software. Korg shall not be obliged to provide support services for any Third Party Software supplied (whether relating to operating methods, defects, or otherwise). Korg provides no warranty in relation to any Third Party Software supplied and all warranties whether express or implied as to the condition, quality, performance, merchantability or fitness for purpose of the Third Party Software or any part of the same are (in so far as may be permitted by law) hereby excluded. Korg furthermore disclaims all responsibilities for direct, derivative, collateral or consequential damages caused by the use of or the inability of using the Third Party Software (including but not limited to damage of data, lost commercial profit, interruption of work, lost commercial information), regardless of the degree of damages, and even if Korg was aware of the possibility of such damages in advance. 7. SUPPORT SERVICES Support services such as technical support or upgrade support for this product are provided according to the support service policies of Korg's distributors applicable in each country. Korg reserves the right to amend any such policies from time to time in its absolute discretion. When the Licensed Program or associated Korg product(s) is discontinued, the support services will be terminated after 12 months from such discontinuation. The support referred to in this clause 7 is limited to the products purchased from an authorized retailer, distributor or download from the Korg website. In the event that Korg offers an updated or upgraded version of the Licensed Program to you at any time, Korg's obligation (and that of its distributors and dealers) to support previous versions of the Licensed Program shall cease 28 days following such updated or upgraded version being made available to you. 8. GENERAL The license created by this agreement is personal to you and you may not assign or otherwise transfer your rights or obligations under this agreement without the prior written consent of Korg.
